To All Lions and Club President's

The Mass Lions Eye Research canister committee is once again offering prizes for donations to **"Become A Partner for Pennies for Sight"**

For every \$100.00 + your name or club name will be entered in for a drawing of special prizes and your club will receive a banner patch and rocker for your banner.

For every \$200.00 donated by a club or individual to the campaign your names will be entered for a "One Week Stay in the Berkshires" October 2nd through October 9th 2009. The drawing will be held at the Installation and Awards Banquet in August, 2009.

This program is a great way for every Lion to take part in. This is also a great way for the smaller clubs to participate that do not have large amounts of money to donate to Eye Research. Won't you all join us and cash in the pennies you have laying around the house to help find a cure for blindness.
